

Parts Warranty

American General Tools hereafter known as AGT, has an “Out-of-Box” warranty policy on all pneumatic nailer and electrical parts under the AGT brands including, but not limited to, Superior Parts and Superior Electric.

AGT warrants that a new out-of-box part will meet the form, fit and function required to repair a broken tool, and to make the tool perform normally as it did prior to being repaired.

Once a part has been placed inside/outside a tool, and the tool has been placed back in use, the part is deemed “used” and cannot be returned. AGT will repair or replace out-of-box failures only at our option.

AGT at its discretion reserves the right to determine status of returnable products, inspect all goods and packaging to determine if the part has been used in a tool or if it was an out-of-box failure, and replace or refuse said merchandise accordingly.

Warranty is void if: defects in materials or workmanship or damages result from repairs or alterations which have been made or attempted by others or the unauthorized use of nonconforming parts; the damage is due to normal wear and tear, this damage is due to abuse (including overloading of the tool/part beyond capacity), improper maintenance, neglect or accident: or the damage is due to use of the tool/part after partial failure or use with improper accessories.

NO WARRANTY, ORAL OR WRITTEN, EXPRESSED OR IMPLIED, OTHER THAN THE ABOVE WARRANTY IS MADE WITH REGARD TO THIS PRODUCT. AGT DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ALL OTHER WARRANTIES. IN NO EVENT SHALL AGT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES, OR FOR ANY COSTS, ATTORNEY FEES, EXPENSES, LOSSES OR DELAYS ALLEGED TO BE AS A CONSEQUENCE OF ANY DAMAGE TO, FAILURE OF, OR DEFECT IN ANY PRODUCT INCLUDING, BUT NOT LIMITED TO, ANY CLAIMS FOR LOSS OF PROFITS.
